As it is said that objection was taken by Govt for proposing such entertainments in similar municipalities, the President of the mun[l] Board directed that the cost for keeping the place clean might be paid out of Temple funds. The Amildar having made a separate reference to the Dy Commr, a sum of Rs 12/ was sanctioned for the purpose, the amount being met from the temple funds deposited in Savings Bank.

The Dy Commr having written to the Comptroller, the latter enquired whether the jatra Collections of the temple had been deposited in Savings Bank or credited to H. 4) The scale of establishment of this temple was Rs 24-3-10. During the revision of the Dasdik Patti on 29th May 1896 by the late Inspr Secretary Rai Bahadur Srinivasachariar, the marginally noted posts carrying a monthly salary of Rs 0-8-2 which were vacant for a long time were abolished and the existing scale was raised by Rs 11-0-2 or the original scale was raised by Rs 10-8 0. The late Insp Secretary directed in the Dasdik Patti that the income from the marginally noted sources was at an average, not less than Rs 200 per year that the amount should be deposited in Savings Bank and

Muzrai Branch, Bangalore.

Sir,

I have the honor to state that till the year 1896 the scale of Establishment of the Tirumalay Ranganathaswamy Temple in the Magady Taluk was Rs.24-3-10. It is reported by the Amildar that when the then Muzrai Superintendent Mr.A.Sreenivasa Charlu inspected the temple Para-ward on the occasion of his visit to Magady in 1896 he ordered that three appointments noted in the margin carrying an aggregate monthly salary of Re.0-8-2 which were vacant for a long time should be abolished and the amount Re.0-8-2 distributed among certain other servants of the temple. He further sanctioned an increase of pay amounting to Rs.10-8-0 to the then existing establishment of the Ranganatha Swami Temple and a new grant of Re.1-8-0 per mensem to the Betada Narasimhaswamy Temple out of the funds of Ranganathaswamy Temple.

1.Hig Vela	0-1-0
2.Sangeeta	0-4-8
3.Pellikolu	0-1-0
Total	0-8-2

2. Again, the Muzrai Superintendent in his order No.66 of the 22nd November 1896 sanctioned a fresh monthly grant of Rs.2/- to the Petta Anjaneyaswamy Temple of Magady out of the funds of Ranganathaswamy.

3. An additional grant of Re.1-8-0 to Betada Narasimhaswamy Temple was sanctioned in Government Proceedings No.2964-6 dated the 3rd December 1906.

4. Thus, the total monthly expenditure that is being incurred on account of establishment charges from the funds of Sree Ranganathaswamy Temple comes to Rs.39-11-10. (Rs.24-3-10 + Re.0-8-2 + 0-8-2 + Rs.10-8-0 + Re.1-8-0 + Rs.2-0-0 + Re.1-8-0.)

5. Of the above amount of Rs.39-11-10, the original scale amount of Rs.24-3-10 only was being drawn on monthly bills from the temple

funds

(3)

funds and the balance of Rs.15-8-0 was, it is reported, being paid out of the amount of Savings Bank Deposit to which other sources of Jatra income etc., was being credited.

6. Now, that the Savings Bank account in the name of the Institution is closed and the amount transferred to the Muzrai Surplus Funds of the Temple as per orders of the Comptroller, I request that sanction of Government may be obtained to draw the full scale amount of Rs.39-11-10 or monthly bills signed by the Amildar from the funds of the Temple.

7. Further, I beg to state that the appointments of Taffe and Mrudanga with a monthly pay of Re,0-12-0 each have become permanently vacant consequent on the death of the incumbents thereof. There being no necessity to fill them up, the Amildar recommends that the amount viz., Re.1-8-0 may be equally distributed between the two Bhajantri men, on a consideration of their hard work both during Nithyakalay and Hetchukalay occasions and their present low pay of Re.1-0-0 and Rs.2-0-0 respectively. The Amildar's proposal being reasonable, I solicit sanction in this respect also.

8. The Vernacular correspondence with two statements, one containing the extract from the orders passed by the Muzrai Superintendent in the year 1896 and another showing both the original scale and the revised scale with explanatory notes, are herein enclosed for kind perusal and return.
